Grand Knight's Notes

February is now behind us. What a month we had. The Crab feed was just spectacular thanks to the chairperson, Dan Aguiar, the Youth group who did there usual fantastic job of serving and cleaning up under the direction of Eva, and all who helped with the set up, bar, music raffle prizes ETC. as usual way too many people to remember. The results are not quite in but it looks like we sold over 200 tickets. We also just had another successful Fish feed. Although there was not much advertisement, there were a lot of people there. We served over 105 # of fish and 65 # of French fries. Next up is the Fish Feed on March 26. Contact Joe S @ 745.1091 if you can help or donate items. This will be well advertised so we anticipate well over 300 people there. I send all who helped a hearty THANK YOU. That is what the Knights are all about. Helping each other. This type of help is what makes me SO PROUD to be the Grand Knight. It always

seems the first 6 months we are ever so busy with dinners and helping each other. We still have Council elections, 4th of July, Golf torment and who knows what in between.

The last 2nd & 3rd Degree you can attend and still make the 4th degree on April 10th is on March 06th. At this point we have 5 candidates and 3 observers going. Also if you need applications to become a 4th degree, see me for more information.

As we go through Lent and into the Easter Season, we should remember the gift that our Lord gave to us. He gave us the gifts of forgiveness and salvation by making the ultimate sacrifice—his life. All he asks in return is a little of our time giving back to others. The question remains can we do better? This is a question neither I nor anyone else can answer for any individual. This is a question we must answer individually, and only for ourselves. I know where I fall short, and where I must improve. Only you can answer whether and where you can be better.

IF YOU HAVE NOT PAID YOUR DUES, please DO SO. We have to pay Supreme about \$18.00 for each member on our books. So if you are behind more than just this year, you can see how much of a financial drain it is. If in this tough times it is hard to come up with the money, let us know and we can in most cases work something out. The Council DOES NOT want to drop you as a member but nor can we carry members who do not keep up with there dues. Call Joe S 745.1091, if you have any questions.

You're Grand Knight
Gary Gilmor

KNIGHTS OF COLUMBUS INSURANCE

Making a difference for life

**"TAX DAY IS JUST AROUND THE
CORNER"**

April 15 - tax day - is right around the corner. It's become popular this time of year to encourage the opening of an IRA, ROTH-IRA or similar retirement annuity, or the depositing of additional funds into an existing account, as a tax savings vehicle. A secondary approach is to tout the rate of interest that money in one of these accounts can earn. Let me join the chorus of folks encouraging you to open or add funds to an annuity, but for a different reason.

Certainly, contributing money to Knights of Columbus IRA annuity will allow you to save some money on your income tax return. And our annuities do pay a very competitive interest rate, consistent with our primary goal of absolute safety of principal. Opening or adding to an annuity for these reasons, however, strikes me as taking a short-term view of a product that is designed to provide long-term security. How much security? How does a guaranteed retirement income that you cannot outlive – sound to you?

Here at the Knights of Columbus, you can open a retirement annuity for as little as \$300. Consistent and disciplined savings placed into that annuity over time can guarantee you an income at retirement that you cannot outlive. That guarantee – along with the fact that no one has ever lost money left in a Knights of Columbus annuity (remember – absolute safety of principal), really will provide you with peace of mind.

I am happy to meet with you – at your convenience and in your home – to explain in detail the benefits

of opening a Knights of Columbus IRA, ROTH-IRA of tax deferred annuity, along with the benefits of our top-rated Life Insurance and Long Term Care Insurance plans.

As you ponder all the things that may not work out as you proceed toward retirement, think about one thing you can do to help yourself – opening a Knights of Columbus annuity. It's reasonably priced (\$300 to start), guaranteed, and controlled by someone you trust – you!

To contact me with regards to any of your insurance needs, please call me at 351-2480 or e-mail me at matthew.roche@kofc.org.

Easter is not important!

Many people think that Christmas is the most important day in the [Catholic liturgical calendar](#), but from the earliest days of the Church, Easter has been considered the central Christian feast. As Saint Paul wrote in 1 Corinthians 15:14, "If Christ has not been raised, then our preaching is in vain and your faith is in vain." Without Easter—without the Resurrection of Christ—there would be no Christian Faith. Christ's Resurrection is the proof of His Divinity.

New Life in Christ:

People who are converting to Catholicism traditionally are baptized at the Easter Vigil service, which takes place on Holy Saturday (the day before Easter), starting sometime after sunset. They have usually undergone a long process of study and preparation known as the Rite of Christian Initiation for Adults (RCIA). Their baptism parallels Christ's own death and resurrection, as they die to sin and rise to new life in the Kingdom of God.

Communion - Our Easter Duty:

Because of the central importance of Easter to the Christian faith, the Catholic Church requires that all Catholics who have made their [First Communion](#) receive the Holy Eucharist sometime during the Easter season, which lasts through [Pentecost](#), 50 days after Easter. (They should also take part in the [Sacrament of Confession](#) before receiving this Easter communion.) This reception of the Eucharist is a visible sign of our faith and our participation in the Kingdom of God. Of course, we should receive [Communion](#) as frequently as possible; this "[Easter Duty](#)" is simply the minimum requirement set by the Church.
