KNIGHTS CALENDAR

Grand Knight's Notes

BROTHERS,

Well another months gone by and we had quite a busy month. To start with we had the Fall Festival. I want to thank everyone for all the support that they gave to help make the Festival run as well as it did. It took a lot of work from everyone.

We had a street clean up on the 2nd Saturday which went very well.

There was a Dinner for our own Gary Gilmore as past Faithful Navigator which was well attended. We had a Recruiting Weekend at all the masses at church and we were able to get about 7 prospective new members.

We had our annual Tootsie Roll drive which went really well. Thank you chairman Dave Orozco and all that helped out at the stores. We always get a good response from the community because all that we raise stays right here in Galt for the children that need it.

I want to remind all that Thanksgiving is coming and the church along with the whole Galt community is working hard to put together the Food Baskets for local families. Last year they were able to help out 125 needy families. Let's all help in any way that we can.

We are going to try to have a 1st Degree here in Galt on the Sunday before Thanksgiving. If you know of someone who would like to become a Knight please let us know.

The Daughters are planning their Casino Night Christmas Dinner for the beginning of December, so they will be selling tickets. They go fast, so ask around if you would like to attend.

Hope to see you at our regular meeting on Wednesday, November 2nd so we can start planning what **you** would like to see us do in the upcoming couple of months.

GOD BLESS,

GK Dan

November - LTC Awareness Month**Common LTC misconceptions**

As Baby Boomers have reached retirement years, long-term care (LTC) insurance products have gotten more public attention, but they're still not well understood, especially when it comes to how to pay for care.

For example, many Americans believe that Medicare pays for long-term assistance with the basic activities of daily living — but it doesn't. It applies only to those who have been in the hospital 72 hours and are diagnosed as requiring "skilled care." Medicaid covers care only if and when the person has gone through a "spend down" and has no other means to pay for it. Not a good situation to be in.

Another common issue is that Boomers think they can wait to buy LTC. Unfortunately, this could be a financial devastating choice. What happens if you suddenly become ill or uninsurable before you have made this purchase? Again, not a good situation.

Waiting to buy will also increase the cost of the premiums you pay. Consider this example. If you buy a Knights of Columbus Comprehensive Long-Term Care policy for yourself with a \$200 daily benefit, lifetime benefit duration and 30-day elimination period at age 40, your annual premium will be \$739.20. The total premium paid by age 85 will be \$33,264. If you decide to wait to buy the same policy until you are 60 years old, your annual premium will be \$2,374 and the total premium paid by age 85 will be \$59,350. That's a difference of more than \$26,000. (This example is for comparison purposes only.)

Personal service is crucial in choosing LTC policy options, and for adjusting them as necessary. Group LTC may indeed be a viable option for you, but as your Knights of Columbus agent, I can help you compare the details so you can make an informed decision.
